

SyncSupport

Looking for full service customer support?

ACA and EEOC reporting can be complicated and time consuming. You could be substantially fined for not reporting or not reporting accurately. With SyncSupport, you'll receive full service customer support to ease this burden and avoid penalties.

What can SyncSupport offer you?

- ✓ A designated ACA team leader for training, data management, and support.
- ✓ A month-by-month ACA action plan to maintain your solution.
- ✓ One-on-one onboarding and training by your ACA team leader.
- ✓ Ongoing solution support.
- ✓ File loads.
- ✓ Personalized messaging and alerts.
- ✓ Individualized preparation for and guidance through year end fulfillment such as 1095-C and E-filing.

Don't fall behind - contact us today to discuss support options!
